

YES on 67 to REDUCE LITTER, PROTECT OUR OCEAN and WILDLIFE, and REDUCE CLEAN-UP COSTS.

Single-use plastic shopping bags create some of the most visible litter that blows into our parks, trees and neighborhoods, and washes into our rivers, lakes and ocean. A YES vote will help keep discarded plastic bags out of our mountains, valleys, beaches and communities, and keep them beautiful. The law also will save our state and local communities tens of millions of dollars in litter clean-up costs.

PLASTIC BAGS ARE A DEADLY THREAT TO WILDLIFE.

"Plastic bags harm wildlife every day. Sea turtles, sea otters, seals, fish and birds are tangled by plastic bags; some mistake bags for food, fill their stomachs with plastics and die of starvation. YES on 67 is a common-sense solution to reduce plastic in our ocean, lakes and streams, and protect wildlife."

- Julie Packard, Executive Director, Monterey Bay Aquarium

YES on 67 CONTINUES CALIFORNIA'S SUCCESS IN PHASING OUT PLASTIC BAGS

A YES vote will keep in place a law passed by the Legislature and signed by the Governor that will stop the distribution of wasteful single-use plastic shopping bags. This law has strong support from organizations that are committed to protecting the ocean, wildlife, consumers, and small businesses. It will be fully implemented statewide once voters approve Prop 67.

Many local communities are already phasing out plastic bags. In fact, nearly 150 local cities and counties have banned single-use plastic bags. These laws have already been a success; some communities have seen a nearly 90 percent reduction in single-use bags, as well as strong support from consumers.

OUT-OF-STATE PLASTIC BAG COMPANIES ARE OPPOSING CALIFORNIA'S PROGRESS

Opposition to this law is funded by four large out-of-state state plastic bag companies. They don't want California to take leadership on plastic bag waste, and are trying to defeat this measure to protect their profits.

Don't believe their false claims. We should give California's plastic bag law a chance to work, especially with so much success already at the local level.

YES on 67 to PROTECT CALIFORNIA'S PLASTIC BAG LITTER REDUCTION LAW.
